VOLUME CONTENTS

Volume 2 Number 1

B. K. TAN — 1 Editorial

D. A. F. BATCHELOR — 3 Dating of Malaysian fluvial tin placers

Y. S. YUWONO, S. PRIYOMARSONO, R. C. MAURY, J. P. RAMPNOUX, R. SOERIA-ATMADJA, H. BELLON and P. CHOTIN — 15 Petrology of the Cretaceous magmatic rocks for Meratus Range, southeast Kalimantan

XU JIAWEI and TONG WEIXING — 23 Major characteristics of the epi-continental arcs of East Asia and their tectonic significance

R. B. STOKES — 35 Correlation of the Permian "Phawa Limestone" of Thailand with the "Kamawkala Limestone" of Burma

H. FONTAINE and C. POUMOT — 41 The age of anthracite in Thailand

Conference Report
H. FONTAINE — 43 First Conference on the Geology of Indochina

Volume 2 Number 2

B. DAULAY and A. C. COOK — 45 The petrology of some Indonesian coals

H. FONTAINE, M. LYS and N. D. TIEN — 65 Some Permian corals from East Peninsular Malaysia: associated microfossils, palaeogeographic significance

J. A. WOLFE — 79 Arc magmatism and mineralization in North Luzon and its relationship to subduction at the East Luzon and North Manila Trenches

P. HOEKSTRA and TIKTANATA — 95 Coastal hydrodynamics, geomorphology and sedimentary environments of two major Javanese river deltas. Program and preliminary results from the Snellius-II expedition (Indonesia)

Volume 2 Numbers 3/4

S. C. KUMAR — 109 Microgranular enclaves in granitoids: agents of magma mixing

T. T. KHOO, B. S. YAW, T. KIMURA and J. H. KIM — 123 Geology and palaeontology of the Redang islands, Trengganu, Peninsular Malaysia

CHEN TINGYU, REN JISHUN, LIU ZHIGANG and NIU BAOGUI — 131 Do Variscan granites exist in south China?

ZHANG HUNAN — 137 A study of tropical earthquake disasters in south China

H. FONTAINE, HAN PENG KHOO and D. VACHARD — 145 Discovery of Triassic fossils at Bukit Chuping, in Gunung Sinyum area, and at Kota Jin, Peninsular Malaysia

I. TANER, M. KAMEN-KAYE and A. A. MEYERHOFF — 163 Petroleum in the Junggar basin, northwestern China

T. A. Moore and J. C. Ferm — 175 A modification of procedures for petrographic analysis of Tertiary Indonesian coals

V. Suteethorn, P. Janvier and M. Morales — 185 Evidence for a plagiosauroid amphibian in the Upper Triassic Huai Hin Lat Formation of Thailand

J. Crowther — 189 Magnesium and calcium in carbonate bedrock and groundwaters, Peninsular Malaysia

J. R. P. Somboon — 201 Paleontological study of the recent marine sediments in the lower central plain, Thailand

Letters to the Editors

A. H. G. Mitchell — 211 Discussion on the Paracale Intrusion in the Philippines

U. Knittel and U. Giese — 213 Rejoinder: Genesis of the Paracale Intrusion: response to comments by A. H. G. Mitchell

i Volume 2 (1988) Title page, Contents and Author Index
